It is also the "new highland" of high-level opening to the outside world that Guizhou Shuanglong Airport Economic Zone focuses on building. After the project is put into use, it can make up for the insufficiency of the original port function in Guiyang city. By then, "export direct release and import direct access" will be realized, which will greatly improve the efficiency of goods clearance and reduce the production and logistics cost of the enterprise. We will promote the transformation and upgrading of the regional economy to an export-oriented economy, promote the export of goods from Guizhou and the export of goods from Guizhou to the sea, provide supporting support for industrial development, and contribute to the diversified development of industries in the economic zone.	项目拟落地双龙一局三中心项目内，可提供10000平米仓库，招引跨境电商企业的进口货物在保税区存储可经简单加工后，转手出口到其他目的国家和地区。项目地块不涉及林地，附近有建设大道、物流外环、二堡路，铺设雨污、电力、综通、燃气、给水管线。The project is planned to be located in the third center of shuanglong first bureau, which can provide a warehouse of 10,000 square meters to attract cross-border e-commerce enterprises to store the imported goods in the bonded area and then export them to other destination countries and regions after simple processing. The project plot does not involve forest land. There are Jianshe Avenue, Logistics Outer Ring and Erbao Road nearby, with rain pollution, electricity, comprehensive communication, gas and water supply pipelines.	招商专员：陈万珮 电话： 15007178346 邮箱： 350609172@qq.com Investment promotion representative: Chen Wanpei Tel: 15007178346 Email: 350609172@qq.com

Traffic: Guizhou-Zunyi Expressway, Guizhou-Huangping Expressway, Shanghai-Kunming Expressway, National Highway 321 and National Highway 210 run across Guanshanhu District. Guiyang urban metro covers the whole district, and the Guiyang high-speed railway hubs connect it to Beijing, Shanghai, Guangzhou, Chengdu and other places, forming a “7-hour traffic circle”. Many expressways such as Shanghai-Kunming Expressway, Lanzhou-Haikou Expressway, Guiyang Second Ring Road and Third Ring Road pass the district. People can get to every place of the province through the Guiyang West Bus Station and the Ring Railway. It is a 30-minute drive from Guiyang Airport, and the Guiyang Ring Road Expressway covers the whole district. The urban main roads such as Beijing West Road, Qianlingshan Road, Guanshan East Road and Baihua Avenue are seamlessly connected with the old town (Guiyang). The modern three-dimensional traffic forms a network system with “five horizontal roads and six longitudinal roads”. The “five horizontal roads” range from north to south, including Jinzhu Road, Lincheng Road, Guanshan Road, Xingzhu Road and West Beijing Road; the “six longitudinal roads” range from west to east, including Jinhu Road, Binyang Avenue, Yuntan Road, Jinyang Avenue, Changling Road and Northg Jiaxiu Road. The district has high-speed railways, urban express railways and urban light rails, forming a “three-in-one” modern transportation system. Guanshanhu District is becoming an important intersection between Southwestern China and eastern and central China, the southern coastal regions and northwest China.</p> <p>II. Resources: Relying on the improved urban facilities and modern transportation hubs, Guanshanhu District has developed into a political, financial, transportation and cultural hub in Guiyang. It is a calling card of Guizhou for opening up, and a paradise for enjoying delicacy and shopping. Located in the Guizhou Financial Center, the project is the core functional area of the Guizhou Big Data Corridor and the first stop for tourists. By virtue of the preferential policies of “attracting investment for Guizhou” and the provincial key projects for the “13th Five-Year Plan” period, Guizhou Financial City is rising with a grand development momentum. So far, more than 160 financial institutions have been introduced. Meanwhile, Guizhou Financial City has big data industry clusters such as the first Internet financial zone in China, big data exchanges, and crowdfunding financial exchanges. With the empowerment of the international customer base, the Guiyang International Convention and Exhibition City, the municipal government, the Guiyang North Railway Station hub and the Ark on Clouds shopping complex in the comprehensive bonded area, Guanshanhu District has occupied the commanding height in the allocation of regional economic resources. Celebrities, politicians and merchants flood in all day, showing the absolute resource advantages. III. Infrastructure: Guizhou Financial City is located in the core area of Guanshanhu District, with a planned area of 2 square kilometers and a total investment of RMB 45 billion. The project covers an area of 200 hectares with a total building area of 7.8 million square meters. It has more than 40 super highrise 5A office buildings, including the central business district, bank core area, commercial center area, backstage service area and supporting residential area.</p>	<p>项目拟选址贵州金融城，引进米其林星级餐厅分店、中华老字号餐饮分店等行业领先的知名餐饮品牌入住，项目定位以考究的高端食材、独具特色的烹饪工艺为根基，配以贴心服务，构建别致典雅的就餐环境。为广大消费者带来高品质的餐饮消费体验。</p> <p>The chosen site of the project is on the Guizhou Financial City.
