**Demographics & Scale:** **216, 000** existing population and a total area of **91** square kilometres of construction land.

**生态资源：**江东新区海岸线全长 **31** 公里，湿地资源丰富，现状湿地面积约 **90** 平方公里；河网密集，现状有九条河道、四条水渠、四座水库；植物种类繁多，林地面积约 **96** 平方公里，生态公益林面积 **20** 平方公里。

**Ecological Resources:** Jiangdong New Area has rich ecological resources: **31** kilometres long of coastline; abundant wetland resources, with an existing wetland area of about **90** square kilometres; dense drainage network, with nine river courses, four canals, and four reservoirs; a variety of flora species, with the forest coverage of about **96** square kilometers, and the ecological public welfare forest area of **20** square kilometers.

## 建设目标

**2020 年:** 重点项目引爆, 实现特色和亮点产业聚集发展, 国际开放度显著提高, 成为代表海口的国际化新城窗口。

**2025 年:** 主导产业全面开花, 开放型创新型产业体系基本成型, 自贸港制度体系全面建设, 成为海南自贸港先行标杆。

**2035 年:** 实现产业和城市效能辐射, 建成海南自贸港链接全球的国际化城市枢纽, 成为国际投资目的地, 为全球未来城市建设树立“江东样板”。

## Construction Objectives

**2020:** Trigger key projects; achieve the cluster development of characteristic and bright spot industries; significantly increase international opening degree, and become an international new city window representing Haikou.

**2025:** The leading industry will blossom in all fronts; the open and innovative industrial system will basically take shape; the free trade port system will be built in an all-round way, and become a pacemaker of Hainan Free Trade Port.

**2035:** Achieve industrial and urban efficiency radiation, build it into an international urban hub linking Hainan Free Trade Port to the world, become an international investment destination, and set up a "Jiangdong Model" for global future urban construction.

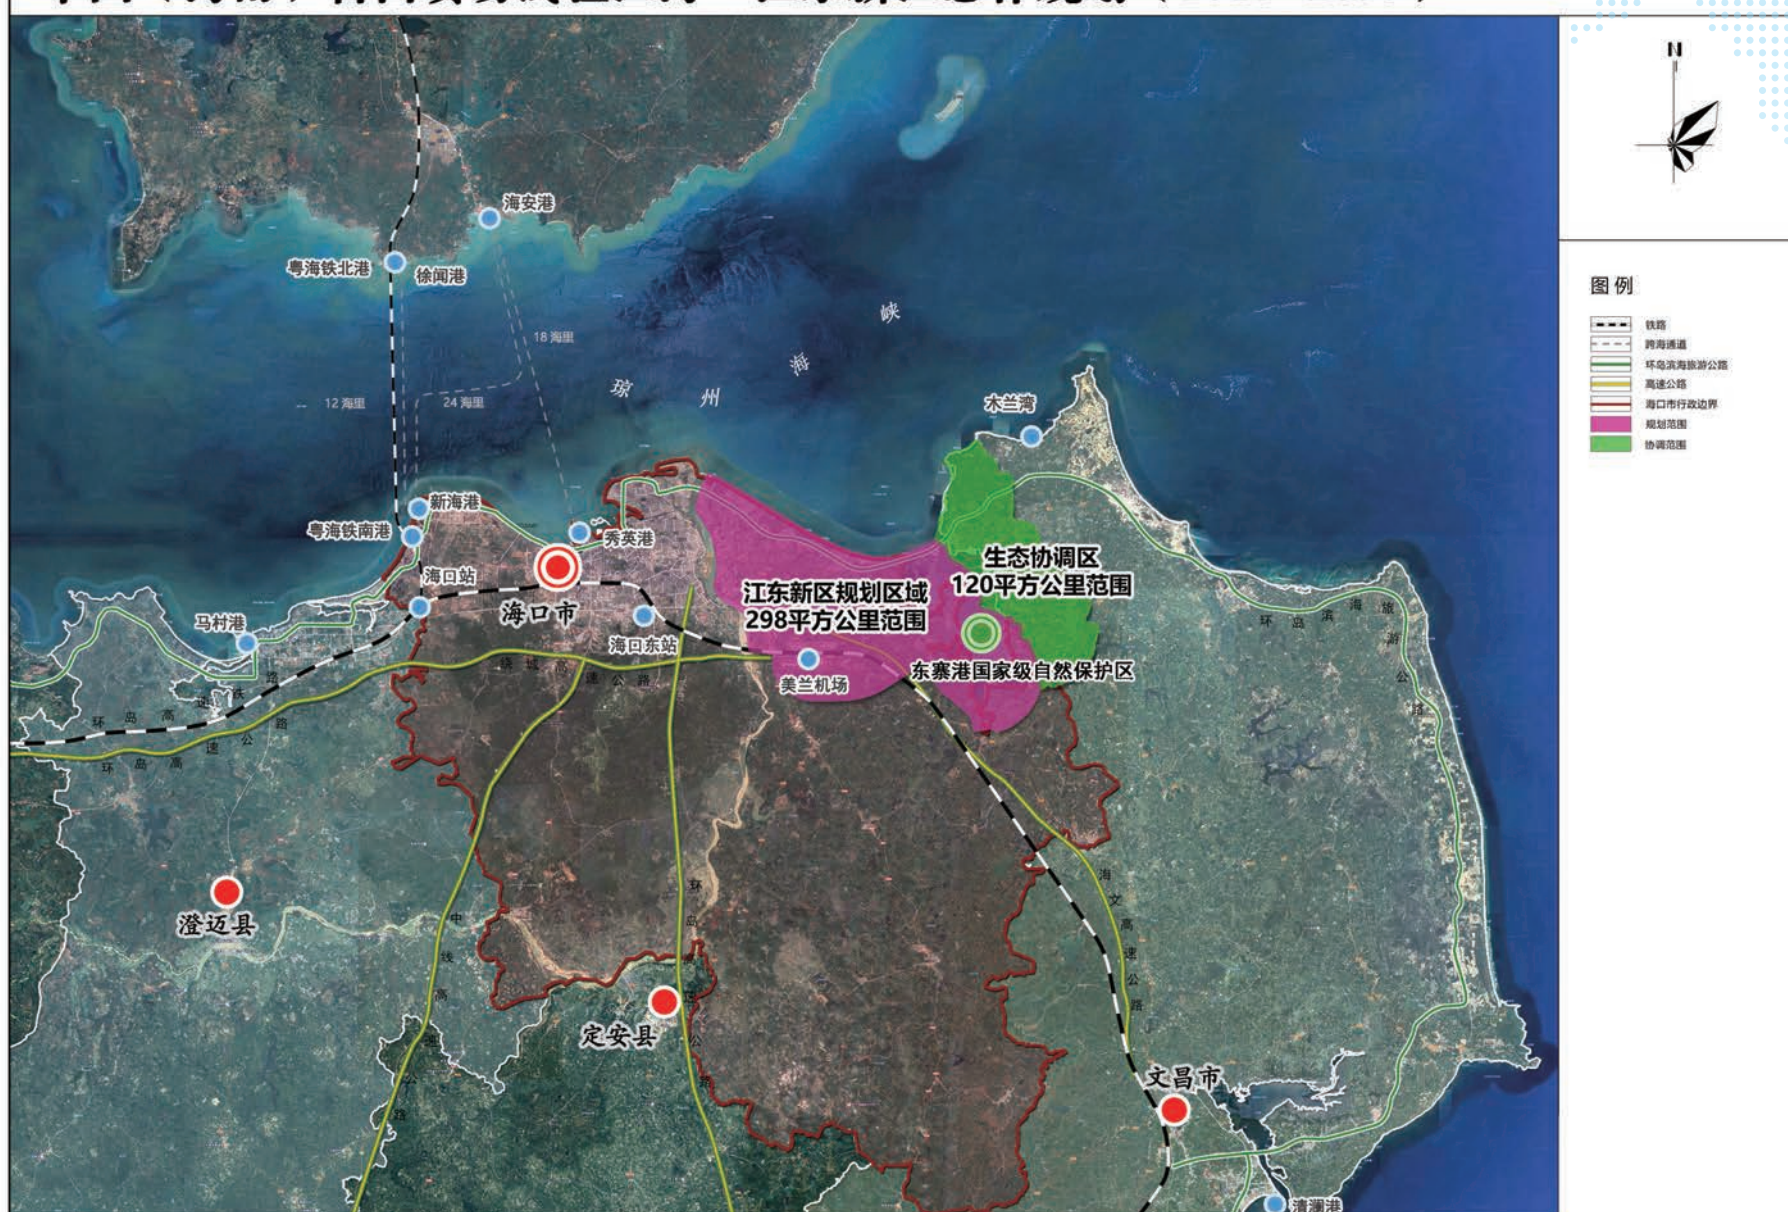

起步区城市设计效果图

# 02 / 发展优势 Development Advantages

中国（海南）自由贸易试验区海口江东新区总体规划（2018—2035）

**区位独特：**区域内拥有海口美兰国际机场、环岛高铁美兰站等重大基础设施，是中国步入全球网络、连接“一带一路”国际化大通道的又一个重要支点。以美兰国际机场为契机，江东新区将成为城市“一江两岸、东西双港驱动，南北协调发展”的东部核心区，与文昌、澄迈深度融合，对推动“海澄文”一体化发挥更加重要的作用。

**Unique Location:** The area has Haikou Meilan International Airport, and trans-Island high-speed rail Meilan Station and other major infrastructure. It is another important fulcrum for China to access the global network and connect the Great International Passage of the Belt and Road Initiative. Taking Meilan International Airport as an opportunity, Jiangdong New Area will “develop Nandu River, east coast area and west coast area, form the strategic drivers of the airport new town and harbor economic belt, and balance the ecology of southern area and the development of northern coastal area” as the eastern core of the city integrated with Wenchang and Chengmai, and will play a more important role in promoting the integration of “Haikou-Chengmai-Wenchang”.

**交通便利:** 海南岛内陆交通便利, 海口美兰国际机场在临空经济区范围内, 区域内通环岛高铁、绕城高速、海文高速, 打造江东大道、白驹大道、桂林洋大道等八横八纵骨干道路网与五条轨道交通线路, 形成以绿色交通为主导, 骨干道路网高铁、高速交汇的创新型综合交通体系。

**Convenient Transportation:** Hainan Island enjoys convenient inland transportation. Haikou Meilan International Airport is in the Airport Economic Zone (AEZ) where there are the trans-Island high speed rail, island loop highway and Haiwen Expressway. And it is to build eight horizontal and eight vertical trunk road network and five rail transit lines, including Jiangdong Avenue, Baiju Avenue and Guilinyang Avenue, forming an innovative integrated transportation system intersected with trunk road network, high speed rails and expressways dominated by green transportation.

**空港支撑:** 2019 年美兰机场旅客吞吐量达到 2421.66 万人次; 航班运输起降架次达到 16.52 万架次; 货邮行吞吐量 32.2 万吨; 吞吐量位居全国第 17; 海南地理位置优越, 1-3 小时航圈覆盖了周边主要邻国与城市。海口美兰国际机场目前始发航线 297 条, 其中国内航线 261 条、地区航线 4 条, 通达东南亚地区以及韩国、日本、俄罗斯、澳大利亚、意大利等国家的国际航线 32 条, 与 56 个城市通航。

**Airport Support:** In 2019, the Meilan Airport ranked the 17th in China in terms of throughput, with passenger throughput reaching 24.2166 million person trips and cargo throughput 322,000t; the take-off and landing sorties of flight transportation reached 165,200; Hainan has a superior geographical location, and the 1-3 hours of flights can cover the main neighbouring countries and cities. At present, Haikou Meilan International Airport has 297 departure routes, including 261 domestic routes, 4 regional routes, 32 international routes to Southeast Asia, South Korea, Japan, Russia, Australia, Italy and other countries, and has opened air traffic with 56 cities.

**生态一流：**江东新区临江临海临湖，水系入城的本底格局明显，拥有被誉为“海上森林公园”的东寨港国家级红树林自然保护区，以及美丽的海岸线资源，区内水、林、田、湖、草等生态要素兼具，整体呈河流、农田、村庄相互交织的自然形态，生态环境本底资源优越而独特，具备打造国际化滨江滨海花园城市的高水平生态本底。

**First-class Ecology:** Jiangdong New Area is adjacent to the river, the sea and the lake. The background pattern of water system entering the city is obvious. It has Dongzhai Port Nature Reserve known as "Maritime Forest Park", as well as beautiful coastline resources. The area incorporates rivers, forests, cropland, lakes, grass and other ecological elements with the interwoven natural form of rivers, farmland and villages on the whole. The background resources of ecological environment are superior and unique and have the high-level ecological potential to build an international coastal riverside garden city.

美丽乡村组团鸟瞰图

英国哈罗公学效果图

**配套完善：**依据国际化标准建设公共服务设施，提供高效便捷的生产性公共服务，搭建国际商务商业、科教创新、临空商贸、生态旅游服务集群，打造具有国际影响力的产业创新服务体系。建设英国哈罗公学、仁恒万华国际社区等一批国际化服务设施，以及北师大附中、寰岛学校和桂林洋高校区，重点打造领事馆区、国际消费精品展示中心、城市文化展示区等综合功能区，激发城市发展活力。创造优质便捷的生活服务网络，构建 15 分钟未来社区生活圈，建设创新型社区公共服务中心。

**Complete Supporting:** Facilities Build public service facilities according to international standards; provide efficient and convenient productive public services; sets up international business and commerce, science and education innovation, airport trade and ecological tourism service clusters, and build an industrial innovation service system with international influence. Establish English Harrow School and Yanlord Wanhua International Community and a number of international service facilities, as well as the High School Affiliated to Beijing Normal University, Huandao School and Guilinyang University City ; focus on creating consulate area, international consumption and high-quality goods exhibition center and urban culture exhibition area and other comprehensive functional areas to stimulate the vitality of urban development; create a high-quality and convenient life service network, build a 15-minute future community life circle as well as an innovative community public service center.

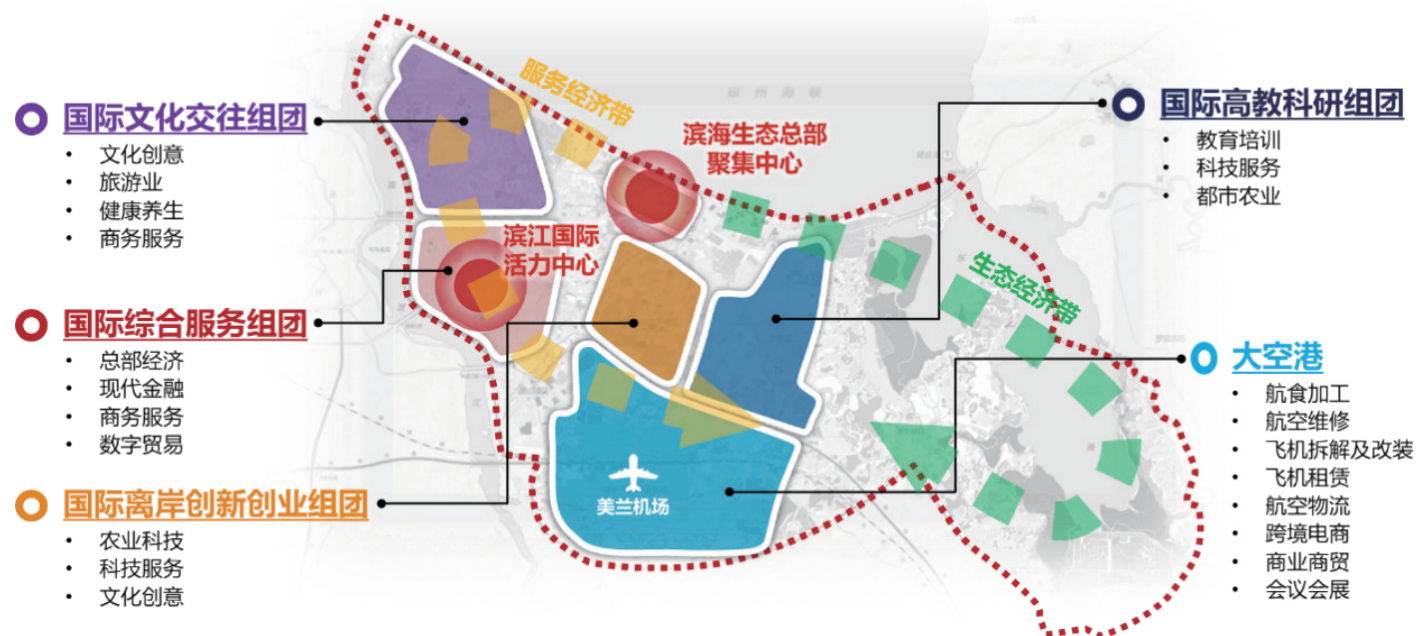

**潜力巨大：**充分发挥海南全岛试点的整体优势，加强改革系统集成，增强制度创新的整体性、协同性，有针对性地研究提出试点任务，将自身打造成为以创新型、外向型现代服务体系服务“一带一路”国家和新兴经济体的新一代对外开放前沿。

**Great Potential:** Give full play to the overall advantages of the pilot of Hainan Island; strengthen the integration of reform systems; enhance the integrity and synergy of institutional innovation; make a targeted study and proposal of the pilot tasks, and shape the Jiangdong New Area into a new generation of frontier region opening to the outside world with an innovative, export-oriented modern service system serving the countries along the Belt and Road and emerging economies.

# 03 / 发展产业 Industrial Development

## 产业定位

江东新区将紧密围绕海南“三区一中心”的发展定位，充分发挥区域航空枢纽优势、生态底板优势、开发空间优势以及制度高地优势，以都市型产业为主要形态，聚焦“三大两新”（大物流、大航服、大保障、新消费、新展贸）核心功能，着力构建“临空经济 + 服务经济 + 生态经济”的开放型、创新型产业体系，着力打造成为“海南智汇中枢，都市产业范本”。

## Industrial Positioning

Focusing on Hainan's development orientation of "three zones and one centre", Jiangdong New Area will give full play to the advantages of regional aviation hub, ecological background, development space and institutional highland. It will focus on the core functions of large logistics, great aviation service, great guarantee, new consumption, new conventions & exhibitions and trade, and strive to build the open and innovative industrial system of "airport economy + service economy + ecological economy" and develop it into "a smart pivot in Hainan and a model of urban industry".

**临空经济:** 临空经济区定位为服务一带一路、承接双港驱动的港产城高度一体化发展的空港经济区。重点推进航空维修、保税航油、航空物流、跨境商贸等方向, 打造国际航空枢纽和临空产业高地。

**Airport Economy:** The Airport Economic Zone is positioned to be an airport economic zone serving the Belt and Road and undertaking the highly integrated development of ports, industries and services driven by the harbour and the airport. Focusing on aviation maintenance, bonded aviation oil, aviation logistics, cross-border commerce and other directions, it will be built into an international aviation hub and airport industry highland.

**服务经济:** 打造总部经济集聚区, 坚持共生、共融、共享的规划理念, 打造全球领先的生态 CBD。着力突破服务经济, 加快谋划现代金融、总部经济和专业服务业等领域, 伺机突破教育、文化创意、数字贸易经济。

**Service Economy:** Build the headquarters economy gathering area, adhere to the planning concepts of symbiosis, integration and sharing, and create the world's leading ecological CBD. Make breakthrough in the service economy; accelerate the planning of modern finance, headquarters economy and professional services and other pelds; take the chance to break through education, culture and creativity, and digital trade economy.

**生态经济:** 立足江东新区得天独厚的生态环境, 实施经济与环境的协调发展, 发展高端医疗旅游与特色养生保障相结合的医养旅游产业。重点围绕医学治疗、医学美容、康复疗养、养生保健等四大医疗旅游关键领域, 建设健康养生旅游度假区、高端养生度假中心、旅游资源服务中心等。

**Ecological Economy:** Based on the unique ecological environment of Jiangdong New Area, make the coordinated development of economy and environment; develop the medical tourism industry combining high-end medical tourism and featured with health preservation. Build health tourism resort areas, high-end health-care resort centres, and tourism resource service centres centring on medical treatment, medical cosmetology, rehabilitation and health care, and health preservation four key areas of medical tourism.

## 片区发展重点

按照土地集约、产业聚集的原则，充分发挥江东新区的区位与资源优势，打造“一港、双心、四组团”的产业空间格局。

### Development Priorities in the Area

According to the principle of land intensive and industrial agglomeration, give full play to the location and resource advantages of Jiangdong New Area, and create an industrial spatial pattern of "one port, two centers, and four clusters".

### 大空港组团（临空经济区）：规划范围东北至南渡江大道，

西至灵山大道 - 美灵北路 - 海榆大道，南至绕城高速，规划总面积 50.60 平方公里，其中机场用地 17.57 平方公里。突出临空服务功能，依托机场路“黄金走廊”，发挥临空优势，建设航空要素流动开放、创新资源集聚、产业集约高端的临空经济区，并形成具有多元复合功能的航空都市带，吸引国际要素集聚，打造空港枢纽门户印象。海口临空经济区作为江东新区“一港双心”中的“大空港”引擎，以美兰国际机场为核心，着力发展门户枢纽带动、自贸政策引领下的临空经济，打造成为最开放的自贸港区、最活力的航空都市。

### Haikou Airport Industrial Park Cluster (Airport Economic Zone (AEZ))

:Planning Scope: The total planned area is 50.60 square kilometers, including 17.57 square kilometers of airport land from the Nandu River Highway in the northeast, to the Lingshan Avenue - North Meiling Road - Haiyu Avenue in the west, and the ring expressway in the south. Highlight the airport service function, rely on the "Golden Corridor" of Airport Road, give full play to the airport advantages, build an airport economic zone with open air factor flow, innovative resource concentration and high-end industry intensive airport economic zone, and form an aviation metropolis belt with multiple composite functions, attract international element concentration, and create the impression of airport portal hub. Haikou Airport Economic Zone, as the "airport" engine in the "one port, two centres" of Jiangdong New Area, by taking Meilan International Airport as the core, and focusing on developing the airport economy driven by the portal hub and guided by the free trade policy, will build itself into the most open free trade port and the most dynamic aviation metropolis.

**滨海生态总部聚集中心（总部经济集聚区）：**规划范围东起芙蓉河，西至道孟河，北邻东海岸线，南至江东大道，总面积 1.79 平方公里。突出国际都市功能，利用滨海生态景观优势打造滨海生态总部聚集中心，集中布局功能高度混合的高端商务、国际消费、休闲娱乐等设施，塑造江东新区国际品质与区域品牌，打造展示江东新区国际都市形象的对外窗口。总部集聚区坚持“共生、共融、共享”的建设理念，创新性的将绿色基础设施、绿色步行游憩系统、绿色公共街巷、绿色建筑设计以及彰显地域文化特征的绿色环境融为一体，创造灵活多元的总部空间，打造引领全球的第四代生态 CBD。

**Riverside Ecological Headquarters Gathering Center (headquarters economy nesting zone):** Planning Scope: It is to cover a total area of 1.79 square kilometers, starting from the Furong River in the east, to the Menghe River in the west, from the east coastline in the north, to Jiangdong Avenue in the south. Highlight the cosmopolis' functions, make use of the advantages of the coastal ecological landscape to build the coastal ecological headquarters gathering center; focus on the layout of high-end business, international consumption, leisure and entertainment facilities with highly mixed functions; shape the international quality and regional brand of Jiangdong New Area, and create an external window to display the cosmopolis image of Jiangdong New Area. The headquarters nesting zone is to create flexible and diverse headquarters space and build a global leading ecological CBD of the fourth generation by adhering to the planning concepts of symbiosis, integration and sharing, and innovatively integrating green infrastructure, green pedestrian crossing and recreation system, green public streets, green architectural design and green environment showing regional cultural characteristics.

江东新区起步区

**滨江国际活力中心：**突出时尚消费功能，在滨江地区建设金融商务、文化娱乐、时尚潮流、运动休闲于一体的国际活力中心。重点布局高端消费体验、商务办公、休闲旅游等主要功能。

**Riverside International Vigor Center:** Highlight the function of fashion consumption, and build an international vigor center integrating finance, commerce, culture and entertainment, fashion trend, sports and leisure in riverside area. Focus on the layout of high-end consumer experience, business office, leisure tourism and other major functions.

**国际综合服务组团：**突出国际服务功能，围绕滨江国际活力中心，创新商业发展模式、激发城市活力，重点布局高端商务办公、时尚消费体验、商务休闲旅游、医疗健康、公寓住宅等主要功能，成为海南自由贸易港核心功能示范区。

**International Comprehensive Service Cluster:** Highlight the international service function; focus on Riverside International Vigor Center; innovate business development mode; stimulate urban vitality; focus on the layout of high-end business office, fashion consumption experience, business leisure tourism, medical health, apartment housing and other major functions, and become the core function demonstration area of Hainan Free Trade Port.

**国际文化交往组团：**突出文化和生态功能，作为国际交往、大国外交、国际门户的重点承载区，重点布局国际文化交往、国际健康养生、滨海度假等功能，促进南海国家命运共同体的构建，成为彰显大国自信的国际交往平台。

**International Cultural Exchange Cluster:** Highlight the cultural and ecological functions; as a key bearing area for international exchanges, diplomacy of big power, and international portals, focus on the layout of international cultural exchanges, international health care, coastal resorts and other functions; promote the construction of a community of shared future of South China Sea countries, and become an international communication platform demonstrating the confidence of big power.

**离岸创新创业组团：**突出创新创业服务功能，依托桂林洋经济开发区，以创新创业为核心功能，布局离岸创新实验室、国际科研技术转化平台、生活服务配套等设施，营造创新创意的空间氛围，打造全面深化改革开放试验区的创新区。

**International Offshore Innovation and Entrepreneurship Cluster:** Highlight the service function of innovation and entrepreneurship; rely on Guilinyang Economic Development Zone; take innovation and entrepreneurship as the core function; design offshore innovation laboratory, international scientific research and technology transformation platform, life service supporting facilities; create a space atmosphere for innovation and creativity, and create an innovation area of pilot zone for deepening reform and opening-up on all fronts.

江东新区起步区实景图

**国际高教科研组团：**突出教育科创服务功能，依托桂林洋大学城，建设面向国际的产学研创一体化平台，打造滋养智慧生长、引领技术前沿的科教智慧高地。

**International Higher Education and Scientific Research Cluster:** Highlight the service function of education, science and technology innovation; relying on Guilinyang University City, build an international integrated platform of industry, university, research and innovation, and create a science and education wisdom highland that nourishes the growth of wisdom and leads the cutting-edge technology.

### Jiangdong New Area Policies

**创新管理体制机制：**探索建立“法定机构 + 市场运作”的治理服务新模式，设立由海口市管理的法定机构，负责开发、建设、管理江东新区。

**Innovate management system and mechanism:** Explore the establishment of the new model of governance services of "statutory body + market operation"; set up a statutory body managed by Haikou City to be responsible for the development, construction, management of Jiangdong New Area.

**依法赋予行政审批权限：**将海口江东新区纳入省重点园区名录，通过法定程序推广适用特别极简审批。

**Endow the administrative examination and approval authority according to law:** Incorporate Haikou Jiangdong New Area into the list of provincial key parks, and promote and apply "the most-simplified-approval" investment system within the legal framework.

**加大财政扶持力度：**每年根据海口江东新区基础设施建设项目和产业发展实际需要，通过年度新增债券资金优先安排支持。2022 年 12 月 31 日前，海口江东新区税收省级、市级留成部分全部奖励给园区，专项用于支持江东新区发展建设。重点项目土地出让金在扣除成本和国家法定计提专项资金后，采取一企一策、集体决策方式进行配置。

**Increase financial support:** According to the annual actual needs of infrastructure projects and industrial development of Haikou Jiangdong New Area, give priority support through the yearly newly increased bond funds. Before December 31, 2022, all the provincial and municipal tax retained parts of Haikou Jiangdong New Area will be rewarded to the park exclusively to support the development and construction of Jiangdong New Area. After deducting the cost and the national statutory special funds, the land transfer fees for key projects, allocate the funds in the way of one enterprise one policy and collective decision-making.

**统筹保障建设用地：**海口江东新区新增建设用地指标由省政府统筹保障。海口江东新区内重大基础设施建设占用耕地，耕地占补指标由省政府统筹保障。授权海口市政府自行编制、颁布实施海口江东新区内土地基准地价。

**Overall plan and guarantee the construction land:**The provincial government is to overall plan and guarantee the newly increased construction land index of Jiangdong New Area. The arable land occupied by major infrastructure construction in Jiangdong New Area will be guaranteed by the provincial government as a whole. Haikou Municipal Government is authorized to self-prepare, promulgate and implement the benchmark land price of Haikou Jiangdong New Area

**推动重点产业发展：**支持推动海口临空经济区享受保税区政策，并推动在临空经济区内设立海关特殊监管区，开展航空保税维修、融资租赁等业务。重点产业发展按照“对赌”原则对年度发展目标完成情况实施考核奖励，奖励资金可由园区自主用于招商引资、人才激励、支持奖励园区企业发展等方面。

**Promote the development of key industries:** Support Haikou Airport Economic Zone (AEZ) to enjoy the bonded area policy and promote the establishment of special customs supervision zone in AEZ to carry out air bonded maintenance, financial leasing and other businesses. Assess and reward the annual KPI to the development of key industries based on the “Earn-out” principle, and the park is entitled to use the rewards to attract investment, motivate talents, or support the development of enterprises in the park.

**加大总部经济扶持：**经认定为海南省总部企业，注册在海口江东新区内，对带动新区产业结构调整、就业及税收贡献突出的，在现有政策基础上加大资金扶持力度。

**Increase the headquarters economy support:** Increase the financial support based on the existing policies to the headquarters enterprises identified in Hainan Province and registered in Jiangdong New Area, which have made outstanding contribution to the industrial structure adjustment, employment and tax revenue to the New Area.

**鼓励支持科技创新：**探索科技成果使用处置和收益管理改革，完善职务发明、科技成果转化制度。试点开展赋予科研人员职务科技成果所有权或长期使用权。

**Encourage and support scientific and technological innovation:** Explore the reform of the use and disposal of scientific and technological achievements and the management of income, and improve the system of job invention and transformation of scientific and technological achievements. Carry out pilot program to grant the researchers the right of ownership or the right of long-term use of their scientific and technological achievements.

**鼓励创新土地制度：**在不违背国家关于农村土地制度改革基本原则的前提下，鼓励海口江东新区大胆探索宅基地所有权、资格权、使用权“三权分置”制度创新，盘活利用存量、空闲宅基地和房屋。

**Encourage land system innovation:** On the premise of not violating the basic principles of the reform of the rural land system, encourage Haikou Jiangdong New Area to explore the institutional innovation of the separation of ownership, qualification and use rights of homestead, and make full use of the existing and idle homesteads and houses.

**加强人才保障：**允许海口江东新区根据全省高层次人才标准进行自主认定，报省委人才发展局备案，并制定本区急需紧缺人才目录，享受全省统一的人才补贴政策。

**Strengthen the protection of talents:** Allow Haikou Jiangdong New Area to independently identify talents according to the provincial high-level personnel standards, report to the Hainan Provincial Human Resources Development Bureau for the record, and formulate its own high-demanded talent directory, and enjoy the unified talent subsidy policy of the province.
